Your registration date and time

The registration period for Year 2 students runs from **Wednesday, July 3 to Friday, July 5**. Please log in to the [Student Service Centre \(SSC\)](#) to view your individual registration date and time. We recommend that you check it again on July 2 to confirm that it has not changed; changes are sometimes necessary to ensure that registration access is distributed evenly for optimal performance of the system.

Your registration status will remain blocked until your registration opens. You must pay your 2019 Winter Session deposit before you'll be able to register. Register for all of your courses in both Term 1 (September to December) and Term 2 (January to April) as soon as your registration opens as courses fill quickly.

Maximum credits for registration

Students can only initially register in a maximum of 32 credits (34 for BUCS program) in the winter session to allow everyone an opportunity to register in a full course load. If you would like to register in additional credits, contact the [Undergraduate Office \(UGO\)](#) on or after **August 1** to request an increase to your total credit limit to a maximum of 35 credits. You may be required to meet with an academic advisor to discuss your course plan.

Minimum credits to maintain student loan eligibility

Government loans, grants, and interest-free status all require students to be enrolled in at least 60% (80% for Newfoundland loans) of a full-time course load in each term. If you have a documented permanent disability, you may be eligible to study at a reduced course load. Consult the [course load guide at students.ubc.ca](#) to learn more.

General program

The full course load for students in Year 2 of the BCom program is 31 credits. Therefore the minimum 60% is 20 credits (at least 10 credits per term).

Combined Major in Business and Computer Science (BUCS)

The full course load for students in Year 2 of the BUCS program is 34 credits. Therefore the minimum 60% is 22 credits (at least 11 credits per term).

Note that eligibility to receive scholarships and to live in UBC residence is determined by separate registration criteria. Review any conditions carefully to ensure your continued eligibility.

Step-by-step registration - New to UBC Sauder in 2019W

(transfer students from other faculties at UBC or other post-secondary institutions)

Second year students do not register in a standard timetable for Year 2 courses. You must build your timetable by registering in each of the Year 2 requirements individually or through your worklist.

Step-by-step registration - Continuing in 2019W

(direct entry students who attended Year 1 at UBC Sauder)

Second year students do not register in a standard timetable for Year 2 courses. You must build your timetable by registering in each of the Year 2 requirements individually or through your worklist.

If you have not yet successfully completed your Year 1 writing requirement (WRDS 150 or ENGL 112), you must complete it in Year 2 (no later than April 2020); you will not be promoted to Year 3 until you complete it. A minimum grade of 60% in WRDS 150 or ENGL 112 is required. Note: As of May 2019, completion of the Language Proficiency Index (LPI) is no longer required to enrol in 100-level English courses.

Consult program requirements on the [myBCom website](#) to determine your remaining requirements. If you require assistance in determining your program requirements, please contact the [UGO](#).

If you're completing the Combined Major in Business and Computer Science, please [review your requirements on the myBCom website](#).

Elective requirements

Your total elective requirements for your BCom degree will vary depending on the option you choose in Year 3. Refer to the [Elective requirements page on the myBCom website](#) to determine your specific elective requirements. **Confirm that the electives you have selected will count for credit in the BCom program by reviewing the not-for-credit tables at the bottom of the requirements page.**

Planning to take all of your electives in one subject area? You may be eligible for a [minor](#).

COMM 202 Career Fundamentals

[COMM 202 Career Fundamentals](#) is a one-credit course required in Year 2. There are four lecture sections offered in Term 1 and four lecture sections offered in Term 2; you can take the course in either term. Be sure to register in both a lecture section and a corresponding tutorial section.

Because tutorial content is specific to year level, you must choose one of the tutorial sections dedicated to Year 2 students (for lecture sections 101 to 104, one of T02, T05, T07 to T11, T13, T15 to T19; for lecture sections 201 to 204, one of T21 to T32, T34 to T38, T40).

COMM 280 Entrepreneurship

Do you have what it takes to be an entrepreneur? Want to find out? In this hands-on interactive course, you'll learn about entrepreneurial essentials such as creating viable opportunities; building your founding team; strategic planning; going to market; fleshing out your organization; and looking ahead to the requirements of the future of the business, and your role within it. Though **not** a requirement for the [Entrepreneurship option](#), COMM 280 will provide you with an excellent opportunity to explore if the Entrepreneurship option is right for you. [Visit our website to learn more about the course.](#)

Courses taken for Credit/D/Fail

Credit/D/Fail grading allows you to take an eligible course for a Credit, D, or Fail standing instead of a percentage grade. If you register in a course for "Credit/D/Fail", you'll still complete all coursework and earn a percentage grade, but only a standing of "Cr," "D," or "F" will be displayed on your grades summary and academic transcript. You can take a maximum of 6 credits of Credit/D/Fail graded courses per winter or summer session, to a maximum of 12 credits of Credit/D/Fail graded courses toward your total degree requirements.

You **cannot** take any of the following courses for Credit/D/Fail:

- First-year non-Commerce requirements (i.e., WRDS 150/ENGL 112 or equivalent, MATH 104/184 or equivalent, and ECON 101 and ECON 102 or equivalents)
- Commerce core requirements (e.g., COMM 290, COMM 291, etc.)
- Combined Major in Business and Computer Science program requirements

You are permitted to take **only eligible elective courses** for Credit/D/Fail, provided they are **not** fulfilling requirements toward an option (including International Business), a minor, or a concentration.

Courses taken for Credit/D/Fail are not counted toward the calculation of your GPA or credits taken to be eligible for [Dean's Honour Roll or a Degree with Honours standing](#); only percentage-graded courses are used to

determine eligibility. Also note, you must be registered in a minimum number of percentage-graded courses to be eligible to receive and retain most scholarships.

Registration assistance

If you need assistance with Commerce course registration, you can [complete the online request for Registration Assistance form](#) once your registration has opened. The UGO will only process forms for which you provide a **valid reason** for a registration request as defined in the online instructions. Please allow **at least three business days** for processing.

Continuation in the BCom program

A winter session average of 60% or greater based on all courses attempted from September to April is required to continue in the program. This is a weighted average calculated from your final course grades and their corresponding course credit values; it will include any failed courses.

If your winter session average falls below 60%, you will be considered to have failed the year and will be required to discontinue your studies at UBC for a period of at least one year. Decimals are not rounded (i.e., a winter session average of 59.9% would be a failed year). Courses taken during the summer session (May to August) are not included in the winter session average.

Promotion to Year 3

You will be promoted to Year 3 once you have met all of the following requirements:

- successful completion of a minimum of 48 credits including:
 - all required courses from first year
 - at least four¹ of COMM 203, COMM 204, COMM 205, COMM 293, COMM 294, COMM 295, COMM 296, COMM 298

¹ While a minimum of four of COMM 203, COMM 204, COMM 205, COMM 293, COMM 294, COMM 295, COMM 296, COMM 298 are required for promotion to Year 3, all eight courses must be completed to be eligible for promotion to Year 4.

Combined Major in Business and Computer Science (BUCS)

If you're enrolled in the BUCS program, you'll be promoted to Year 3 once you've met all of the following requirements:

- successful completion of a minimum of 50 credits of first and second year BUCS program requirements including:
 - all required courses from first year
 - all of COMM 205, COMM 290, CPSC 210

Continuation in the BCom program without promotion

If you have not completed the minimum requirements for promotion to Year 3, you can still continue in the next winter session, remaining in Year 2, provided your winter session average is greater than or equal to 60% on all courses attempted from September to April. You must achieve the minimum 60% continuation requirement by the end of the current winter session in April.

Academic advising

The [UBC Sauder Undergraduate Office \(UGO\)](#) is dedicated to ensuring that you have the assistance and ongoing support that you need throughout your studies in the BCom program. If you have any questions, please email bcomquestions@sauder.ubc.ca, call 604.822.8333, or stop by and see us in Henry Angus room 165.

Until the end of June, we'll be offering scheduled advising appointments Monday through Friday from 10:00am to 12:00noon, and drop-in advising (no appointment necessary) Monday through Friday from 12:30 to 3:30pm.

Starting in July and continuing throughout the summer, we'll be piloting more flexible drop-in advising hours. Drop-in times will be Monday through Friday from 10:00 to 11:30am and 1:30 to 3:00pm. Appointments will be available Monday through Friday from 12:00 to 1:30pm.

Please note, the UGO will be closed on Wednesday, July 10.

And for all the latest news and updates, be sure to follow us on [Facebook](#), [Twitter](#), and [Instagram](#).
