

## Early Start to the Finance Option

### **2026 Early Start to the Finance Option Info Session**

**Tuesday, March 24, 12:30 pm @ HA491**

*Thinking about specializing in Finance?*

*Curious about careers across capital markets, from trading to banking, ESG, fintech, private capital and more?*

*Come learn how the Early Start to Finance Program lets eligible BCom students start specializing in Finance in Year 2 and finish all Finance Option requirements by the end of Year 3. Open to all Year 1 BCom students considering the Finance Option.*

What will we cover?

- *What the Early Start to the Finance Option is and how it differs from the traditional Finance option pathway*
- *Benefits of joining the Early Start to the Finance Option*
- *Course pathway (Year 2–3) and what a ESTF Finance- schedule looks like*
- *Eligibility, application steps, and how admission is assessed*
- *ESTF-related programs (IB-AP, FMIPP...), courses (COMM 271,370,371,374...) and experiential learning opportunities (PMF, SWIFT+...)*
- *If you have any questions or would like more information, please email me at [jose.pizarro@sauder.ubc.ca](mailto:jose.pizarro@sauder.ubc.ca) or use the registration link below*

Who is this session for?

*Open to all Year 1 BCom students considering the Finance Option*
