

You'll be using [Workday Student](#), UBC's student information system, to register for courses for the 2026 Winter Session (September 2026 to April 2027). You'll find detailed tutorials on how to perform many tasks within Workday referenced throughout this guide and at [workday.students.ubc.ca](http://workday.students.ubc.ca).

Review this guide to learn more about:

Your registration appointment	Early Start to the Finance option
Course schedule and saved schedules	Eligibility for Accounting and Finance in Year 3
Registering for your courses	Continuation in the BCom program
COMM 202 Career Fundamentals	Promotion to Year 3
Academic Progress Report	Continuation in the BCom program without promotion
Maximum credits for registration	Registration assistance
Course delivery and attendance	Academic advising
Minimum credits to maintain student loan eligibility	
Courses taken for Credit/D/Fail	

### Your registration appointment

The initial registration period for Year 2 students runs from **Tuesday, July 7 to Thursday, July 9**. Your individual registration appointment (i.e., registration date and time) will be assigned in Workday two to three weeks before the start of the registration period. **You will not be able to register until your registration appointment.**

➔ Tutorial: [Viewing your registration appointment](#)

You will see two registration appointments for the winter session—one for each term—but they will be the same. We recommend that you check your registration appointment periodically before it opens to confirm that it has not changed. Your registration appointment is determined by your class standing (i.e., year level) and cumulative GPA.

If you are a Year 2 transfer student new to UBC you will have paid your [registration deposit](#) when you accepted your offer of admission. If you are a continuing student, you are not required to pay a registration deposit before registering for courses, but be sure to resolve any pre-existing holds on your record if applicable.

➔ Tutorial: [Resolving a hold on your record](#)

### Course schedule and saved schedules

[Review your program requirements to see which courses to take](#) and then log in to [Workday Student](#) to start building your saved schedules (i.e., your draft timetables).

➔ Tutorial: [Viewing the course schedule](#)

➔ Tutorial: [Creating a saved schedule](#) (updated to reflect recent improvements to Workday functionality)

In Workday, you'll create saved schedules for each term. If you're planning to take a two-term course, the course must be added to a Term 1 saved schedule. Be mindful of potential conflicts with courses in your subsequent Term 2 saved schedules.

Workday will allow you to add any courses to your saved schedules, even those for which you do not meet prerequisite, corequisite, or seat restrictions to register. Review and resolve any alerts and error messages in your saved schedules before you attempt to register. One common alert is *Your saved schedule includes course sections that you're not eligible for*. You should expect to see this alert in a Term 2 schedule if you plan to take its prerequisite(s) in Term 1. The alert will disappear once you have registered for the prerequisite(s).

➔ Tutorial: [Troubleshooting your saved schedule](#)

### Registering for your courses

Unsure about which courses you still have left to complete? [Consult program requirements on the myBCom website](#). If you're completing the Combined Major in Business and Computer Science (BUCS), please review your requirements on the website.

When your registration opens, register for both terms – Winter Term 1 (September to December) and Winter Term 2 (January to April). Courses fill up quickly, so don't delay. Be sure to register for Term 1 courses first, especially if those courses are prerequisites to courses in Term 2. It's recommended that you take a maximum of five courses per term (plus the one-credit COMM\_V 202 in one term).

### Step 1: Register in core Commerce courses noting the specific term for each course

**Students continuing in 2026W** (direct entry students who attended Year 1 at UBC Sauder)

Register in COMM\_V 190, COMM\_V 191, COMM\_V 192, and/or COMM\_V 196 (a minimum grade of 60% is required in COMM\_V 196) only if you did not successfully complete them in Year 1. Be mindful of prerequisites and corequisites when planning your timetable.

- <sup>7</sup> Corequisites COMM\_V 190 and COMM\_V 293 must be taken concurrently or completed prior to taking COMM\_V 298. COMM\_V 298 must be taken in Term 1 (or previously in 2026S) if applying to the [Early Start to Finance option](#).

**Students new to UBC Sauder in 2026W** (transfer students from other faculties at UBC or other post-secondary institutions)

Check Workday to confirm the transfer credit you have received. You do not need to register for any courses for which you have already received credit. When planning your schedule, note that many Term 2 Commerce courses have prerequisites that must be successfully completed in Term 1 before attempting them.

➔ Tutorial: [Viewing your transfer credit or high school and AP/IB Credit](#)

If you do not have transfer credit for any required Commerce courses, we recommend that you complete **COMM\_V 203** and **COMM\_V 205** during the summer after Year 2 or in Year 3 (you will not have room within your winter session credit limit to take all of the courses listed below). Note that transfer students are not required to complete COMM\_V 101; in lieu of COMM\_V 101, transfer students take three credits of Commerce or non-Commerce electives at any level.

<b>Winter 2026 (Year 2)</b>			
COMM_V 105	Value, Ethics and Community (lecture and discussion) <sup>1</sup>	3 credits	Term 2

- <sup>10</sup> Prerequisites COMM\_V 190 and COMM\_V 191 must be completed prior to taking COMM\_V 204.

## Step 2: Register in electives

If you have room within your credit limit, register in 6 credits of electives in Term 1 and/or Term 2. Choose non-Commerce electives that interest you or complement your career goals, and will apply toward your program requirements. Keep in mind that the BCom program requires senior-level electives (courses numbered 3xx or 4xx) that you will take in Years 3 and 4 (or sooner if eligible). Some senior-level electives have prerequisites so plan your program accordingly (e.g., MATH\_V 101 is a prerequisite for many senior-level ECON courses).

If you are a transfer student you may not have room in your schedule to register in any electives unless you have transfer credit for some of the required Year 1 and 2 Commerce courses or you choose to defer one or more required Year 2 Commerce courses to the subsequent summer session or Year 3. **Be sure to check [promotion requirements](#) before deferring any courses.**

Your non-Commerce electives must include at least 3 credits in the humanities, and at least 3 credits in science or social science. These elective credits may be completed during **any year** of your program. Language courses are not eligible for the humanities requirement, but literature courses are. For a list of eligible courses, please visit [mybcom.sauder.ubc.ca/elective-requirements](http://mybcom.sauder.ubc.ca/elective-requirements).

Your total elective requirements for your BCom degree will vary depending on the option (i.e., specialization) you pursue in Year 3. Refer to the [Elective requirements page on the myBCom website](#) and **select the correct requirements based on the year level that you entered the program and your intended option** to determine your specific elective requirements (including the humanities and science/social science requirements). Download and fill in the BCom elective checklist from the page to track your progress.

**Avoid taking non-Commerce electives that are not for credit in the BCom program.** Confirm that the electives you have selected will count for credit in the BCom program by reviewing the [not-for-credit tables](#) at the bottom of the Electives page.

Two Commerce electives to consider:

[COMM\\_V 280 Entrepreneurship](#) – 3 credits

Do you have what it takes to be an entrepreneur? Want to find out? In this hands-on interactive course, you'll learn about entrepreneurial essentials such as creating viable opportunities; building your founding team; strategic planning; going to market; fleshing out your organization; and looking ahead to the requirements of the future of the business, and your role within it. Though **not** a requirement for the [Entrepreneurship option](#), COMM\_V 280 will provide you with an excellent opportunity to explore if the Entrepreneurship option is right for you.

**COMR\_V 186A Personal Finance** – 3 credits

This course teaches the basics of personal finance to students who have little or no exposure to finance. Personal finance is an extremely valuable skill that helps us invest and borrow responsibly, spend wisely, and plan appropriately. The course will cover a broad range of topics, including budgeting, investing, purchasing real estate, taxes, as well as the basics of how our financial system works.

---

**COMM 202 Career Fundamentals**

This course equips you with the tools to translate your UBC Sauder education into a career path that feels authentically yours—think refining your resume, networking strategies, and real-world practice telling your story with confidence during interviews.

You'll be registering for both a lecture and a discussion section. When you register, pay special attention to the discussion section you select. Each section is led by an upper-year TA who brings focused experience in areas like consulting, tech, finance, marketing, social impact, and more. The core content is identical across sections, but students consistently say they get extra value when their TA's background lines up with their own career aspirations—so prioritize “who you'll learn from” as carefully as “what time fits your schedule.”

You'll see mini bios on each of the discussions on Workday, but we've provided each of those bios here as well for your convenience. Discussions D01-D20 are in Term 1, D21-D40 are in Term 2.

**Academic Progress Report**

Your Academic Progress Report (APR) in Workday summarizes your progress toward completing the requirements of your program. [Refer to our website](#) for instructions on how to read and interpret your report. See the section *APR & Your Year Level* for details specific to your year level.

The APR has limitations and should be used in combination with the [UBC Calendar](#), [BCom Course Planning Worksheets](#), and the [Elective Checklist](#) for accurate degree planning.

---

**Maximum credits for registration**

Students can only initially register in a maximum of 32 credits in the winter session (16 credits per term) to allow everyone an opportunity to register in a full course load. Students in the BUCS program have a limit of 34 credits (17 credits per term) to allow for registration in 4-credit CPSC courses. If you would like to register in additional credits, you can submit the [credit limit increase request form](#) to request an increase to your total credit limit to a maximum of 35 credits on or after **August 1**. You may be required to meet with an academic advisor to discuss your course plan.

Be aware that if you try to register for courses from a saved schedule that exceeds your allowable credit limit, your registration attempt will be unsuccessful for all courses.

In Workday, the credits for two-term, six-credit courses are not evenly split across academic periods, but instead apply to the term in which the course begins. In this instance, you can request an increase to your Term 1 limit to offset the imbalance – your Term 2 credit limit will be reduced accordingly. The credit limit increase request form is available **now** for students to request rebalancing of credit limits to allow for registration in two-term, six-credit courses.

---

**Course delivery and attendance**

Review the *Delivery Mode* and *Notes* fields in the course schedule on Workday and your course syllabi for details about course delivery. Regardless of how a course is taught, regular attendance is expected, and standard academic policies and course withdrawal deadlines apply. In some instances, your assessments (e.g., midterm and final exams) in online courses may still require your attendance on campus. You will be expected to complete all assessments at the scheduled time and place.

---

**Minimum credits to maintain student loan eligibility**

Government loans, grants and interest-free status all require students to be enrolled in at least 60% (80% for Newfoundland and Labrador loans) of a full-time course load in each term. The full course load for students in Year 2 of the BCom program is 31 credits for the session (34 credits for students in the BUCS program). Therefore, the minimum 60% is 18 credits (at least 9 credits per term) for the BCom program and 20 credits (10 credits per term) for the BUCS program. If you have a documented permanent disability, you may be eligible to study at a reduced course load. Consult the [course load guide at students.ubc.ca](#) and reach out to your Enrolment Services Advisor if you have questions regarding your eligibility.

➔ Tutorial: [Finding your Enrolment Services Advisor's contact information](#)

Note that minimum credit requirements may differ for other considerations, such as eligibility to receive and retain scholarships, to live in UBC residence, or to apply for a post-graduation work permit. Carefully review any conditions relevant to your personal circumstances to ensure your continued eligibility. Learn more at [mybcom.sauder.ubc.ca/registration/#courseload](http://mybcom.sauder.ubc.ca/registration/#courseload).

**Courses taken for Credit/D/Fail**

Credit/D/Fail grading allows you to complete an eligible course for a Credit, D, or Fail standing instead of a percentage grade. If you switch a course to a "Credit/D/Fail" grading, you'll still complete all coursework and earn a percentage grade, but only a standing of "Cr," "D," or "F" will be displayed on your academic history and transcript. You can take a maximum of 6 credits of Credit/D/Fail graded courses per winter or summer session, to a maximum of 12 credits of Credit/D/Fail graded courses toward your total degree requirements.

You **cannot** switch any of the following courses for Credit/D/Fail:

- First-year non-Commerce requirements (i.e. MATH\_V 100 or equivalent, and ECON\_V 101 and ECON\_V 102 or equivalents)
- Commerce core requirements (e.g., COMM\_V 203, COMM\_V 393, COMM\_V 396, etc.)
- Combined Major in Business and Computer Science program requirements

You are permitted to switch **only eligible elective courses** for Credit/D/Fail, provided they are **not** fulfilling requirements toward an option, a minor, or a concentration. If a course allows for 'Credit/D/Fail' grading, its Grading Basis will list it as one of the options in the course section's details on Workday (typically also with 'Graded' as the alternate grading basis).

Courses taken for Credit/D/Fail are not counted toward the calculation of your GPA or credits taken to be eligible for [Dean's List or Degree with Honours standing](#); only percentage-graded courses are used to determine eligibility. Also note, you must be registered in a minimum number of percentage-graded courses to be eligible to receive and retain most scholarships and distinctions.

If you would like to switch a course to Credit/D/Fail grading you can [submit the request form](#) once you have registered. Our office will only process requests as defined in the form's instructions. Academic advisors will direct all requests they receive to this form. Please allow **at least five business days** for processing. The deadline to switch between percentage and Credit/D/Fail grading is the same date to which you are eligible to still add courses or drop courses without a W standing.

Learn more at [students.ubc.ca/enrolment/courses/credिटdfail-grading](https://students.ubc.ca/enrolment/courses/credिटdfail-grading).

**Early Start to the Finance option**

The Early Start to the Finance option is an opportunity for students to begin specializing in Finance in Year 2 and complete all of the requirements for the Finance option by the end of Year 3.

To be eligible for the Early Start to the Finance option in the 2026 Winter Session, students are required to:

- be starting Year 2 for the first time in 2026W (students who had a Year 2 standing in 2025W or a previous winter session are not eligible to apply),
- have COMM\_V 190, COMM\_V 293, and COMM\_V 295\* completed or be completing them in Term 1 of 2026W,
- have COMM\_V 298\* completed or be completing it in Term 1 of 2026W,
- have COMM\_V 191 and COMM\_V 294 completed or be completing them in 2026W (by April 2027), and
- be eligible for promotion to Year 3 at the end of 2026W (by April 2027).

\* COMM\_V 190, COMM\_V 293, COMM\_V 295, and COMM\_V 298 must be completed while registered in the BCom program at UBC Sauder. In addition to completion of these four required courses, applicants must achieve a minimum grade of 65% in all of COMM\_V 190, COMM\_V 293, and COMM\_V 295; a minimum grade of 75% in COMM\_V 298; and a minimum average of 76% calculated from all of COMM\_V 190, COMM\_V 293, COMM\_V 295, and COMM\_V 298 to be considered for admission (admission is competitive; achieving the minimum requirements will not guarantee admission).

If you would like to pursue the Early Start to the Finance option and you have not yet completed COMM\_V 298, you must register for a Term 1 section of the course (limited seats available). More details about the application will be shared with registrants at the start of term.

Review program details, admissions criteria, and FAQs at [mybcom.sauder.ubc.ca/early-start-finance-option](http://mybcom.sauder.ubc.ca/early-start-finance-option).

### **Eligibility for Accounting and Finance in Year 3**

Once you have achieved a Year 3 standing you will be able to declare your option (i.e., specialization). Space in the Accounting and Finance options is limited so to be eligible to self-declare one of these options you must successfully complete and achieve minimum grades in all prerequisite courses:

- For Accounting, a minimum grade of 60% in each of COMM\_V 293 and COMM\_V 294.
- For Finance, a minimum grade of 67% in each of COMM\_V 190, COMM\_V 191, COMM\_V 293, COMM\_V 294, COMM\_V 295, and COMM\_V 298.

Students who do not achieve the required minimum grades in one or more of the required courses, but who have demonstrated strong academic performance in the other required courses can submit a request to be considered for the option, however, there are no guarantees that there will be space to accommodate such requests. You will receive more information about option declaration before you register for Year 3 courses next year.

---

### **Continuation in the BCom program**

A winter session average of 60% or greater based on all courses attempted from September to April is required to continue in the program. This is a [weighted average](#), taking course credit values into consideration, and does include any failing grades.

If your winter session average falls below 60%, you will be considered to have failed the year and will be required to discontinue your studies at UBC for a period of at least one year. Decimals are not rounded (i.e., a winter session average of 59.9% would be a failed year). Courses taken during the summer session (May to August) are not included in the winter session average.

---

### **Promotion to Year 3**

You will be promoted to Year 3 once you have met all of the following requirements:

- successful completion of a minimum of 49 credits including:
  - COMM\_V 202
  - 27 credits from COMM\_V 190, COMM\_V 191, COMM\_V 192, COMM\_V 196, COMM\_V 203, COMM\_V 204, COMM\_V 205, COMM\_V 293, COMM\_V 294, COMM\_V 295, COMM\_V 296, COMM\_V 298
- Students who have transferred to the program in second year must also complete all of COMM\_V 105, COMM\_V 196.

<sup>1</sup> While a minimum of 27 credits COMM\_V 190, COMM\_V 191, COMM\_V 192, COMM\_V 196, COMM\_V 203, COMM\_V 204, COMM\_V 205, COMM\_V 293, COMM\_V 294, COMM\_V 295, COMM\_V 296, COMM\_V 298 are required for promotion to Year 3, all twelve courses must be completed for your degree.

### **Combined Major in Business and Computer Science (BUCS)**

If you're enrolled in the BUCS program, you'll be promoted to Year 3 once you've met all of the following requirements:

- successful completion of a minimum of 51 credits of first and second-year BUCS program requirements including:
  - all of CPSC\_V 210, MATH\_V 101
  - 18 credits from COMM\_V 190, COMM\_V 191, COMM\_V 192, COMM\_V 203, COMM\_V 204, COMM\_V 205, COMM\_V 293, COMM\_V 294, COMM\_V 295, COMM\_V 298
- Students who have transferred to the program in second year must also complete all of COMM\_V 105, COMM\_V 196.

---

### **Continuation in the BCom program without promotion**

If you have not completed the minimum requirements for promotion to Year 3, you may still continue in the next winter session, remaining in Year 2, provided your winter session average is greater than or equal to 60% on all courses attempted from September to April. You must achieve the minimum 60% continuation requirement by the end of the current winter session in April.

### **Registration assistance**

If you need assistance with Commerce course registration, you can [complete the Registration Assistance form](#) once your registration has opened. If there are alternate available courses/sections that will also fulfill your requirements you should register for them while seats remain; there are no guarantees that you will be offered a seat in a requested preferred course/section.

If you've completed prerequisites or corequisites for Commerce courses that are not recognized in Workday, but that are accepted as equivalents, you can submit a request in advance of your registration appointment so that we can grant you eligibility to register yourself once your registration has opened (for valid equivalencies only).

Our office will process only requests for which you provide a **valid reason** as defined in the online instructions. Academic advisors and instructors will direct all registration requests to this form. Please allow for **at least five business days** for processing.
