

You'll be using [Workday Student](#), UBC's student information system, to register for courses for the 2026 Winter Session (September 2026 to April 2027). You'll find detailed tutorials on how to perform many tasks within Workday referenced throughout this guide and at [workday.students.ubc.ca](http://workday.students.ubc.ca).

Review this guide to learn more about:

Your registration appointment	Novel Commerce electives
Course schedule and saved schedules	International Business concentration
Registering for your courses	Business Law concentration
Elective requirements	Business Analytics concentration
Academic Progress Report	Sustainability and Social Impact concentration
Course delivery and attendance	Program completion and graduation in May 2027
Minimum credits to maintain student loan eligibility	Graduation in November 2026
Maximum credits for registration	Master of Business Analytics
Courses taken for Credit/D/Fail	Registration assistance
Accounting option – CPA requirements	Academic advising
COHR courses	

---

### Your registration appointment

The registration period for Year 4 students runs from **Tuesday, June 16 to Thursday, June 18**. Your individual registration appointment (i.e., registration date and time) will be assigned in Workday two to three weeks before the start of the registration period. **You will not be able to register until your registration appointment.**

➔ Tutorial: [Viewing your registration appointment](#)

You will see two registration appointments for the winter session—one for each term—but they will be the same. We recommend that you check your registration appointment periodically before it opens to confirm that it has not changed. Your registration appointment is determined by your class standing (i.e., year level) and cumulative GPA.

Continuing students are not required to pay a registration deposit before registering for courses, but be sure to resolve any pre-existing holds on your record if applicable.

➔ Tutorial: [Resolving a hold on your record](#)

---

### Course schedule and saved schedules

[Review your program requirements to see which courses to take](#) and then log in to [Workday Student](#) to start building your saved schedules (i.e., your draft timetables).

➔ Tutorial: [Viewing the course schedule](#)

➔ Tutorial: [Creating a saved schedule](#) (updated to reflect recent improvements to Workday functionality)

In Workday, you'll create saved schedules for each term. If you're planning to take a two-term course, the course must be added to a Term 1 saved schedule. Be mindful of potential conflicts with courses in your subsequent Term 2 saved schedules.

Workday will allow you to add any courses to your saved schedules, even those for which you do not meet prerequisite, corequisite, or seat restrictions to register. Review and resolve any alerts and error messages in your saved schedules before you attempt to register. One common alert is *Your saved schedule includes course sections that you're not eligible for*. You should expect to see this alert in a Term 2 schedule if you plan to take its prerequisite(s) in Term 1. The alert will disappear once you have registered for the prerequisite(s).

➔ Tutorial: [Troubleshooting your saved schedule](#)

---

### Registering for your courses

Unsure about which courses you still have left to complete? [Consult program requirements on the myBCom website](#). If you're completing the Combined Major in Business and Computer Science (BUCS), please review your requirements on the website.

When your registration opens, register for both terms – Winter Term 1 (September to December) and Winter Term 2 (January to April). Courses fill up quickly, so don't delay. Be sure to register for Term 1 courses first, especially if those courses are prerequisites to courses in Term 2.

➔ Tutorial: [Registering in courses from a saved schedule](#)

➔ Tutorial: [Registering for individual course sections](#)

Step 1: Register in your remaining option courses.

Step 2: Register in any remaining Commerce core requirements from previous years that you have not yet completed.

Step 3: Register in COMM\_V 491.<sup>1</sup>

Step 4: Register in any remaining [elective requirements](#).

<sup>1</sup> Prerequisite COMM\_V 396 **must** be completed before taking COMM\_V 491. If you are following the program requirements for students whose Year 1 entry was prior to 2022W you can take one of COMM\_V 497, COMM\_V 498, COMM\_V 466, or COMM\_V 483 in place of COMM\_V 491.

If you're studying abroad in 2026W, do not register in any UBC courses during your exchange term(s); only register in courses for the term that you will be attending UBC. Go Global will register you in an exchange code to indicate that you are on exchange, which will trigger your tuition for the term and enable awards staff to review your eligibility for the Go Global International Learning Award. If you do register in any courses in the term(s) that you are scheduled to be on exchange, you will be dropped from these courses. If for any reason you do not go on exchange, our office will assist you to register in any required COMM/COHR courses.

---

### Elective requirements

Your total elective requirements for your BCom degree will vary depending on your option. Refer to the [Elective requirements page on the myBCom website](#) and **select the correct requirements based on the year level that you entered the program and your option** to determine your specific elective requirements (including the humanities and science/social science requirements). Download and fill in the BCom elective checklist from the page to track your progress.

**Avoid taking non-Commerce electives that are not for credit in the BCom program.** Confirm that the electives you have selected will count for credit in the BCom program by reviewing the [not-for-credit tables](#). Planning to take all of your electives in one subject area? You may be eligible for a [minor](#).

### **Academic Progress Report**

Your Academic Progress Report (APR) in Workday summarizes your progress toward completing the requirements of your program. [Refer to our website](#) for instructions on how to read and interpret your report. See the section *APR & Your Year Level* for details specific to your year level.

The APR has limitations and should be used in combination with the [UBC Calendar](#), [BCom Course Planning Worksheets](#), and the [Elective Checklist](#) for accurate degree planning.

---

### **Course delivery and attendance**

Review the *Delivery Mode* and *Notes* fields in the course schedule on Workday and your course syllabi for details about course delivery. Regardless of how a course is taught, regular attendance is expected, and standard academic policies and course withdrawal deadlines apply. In some instances, your assessments (e.g., midterm and final exams) in online courses may still require your attendance on campus. You will be expected to complete all assessments at the scheduled time and place.

---

### **Minimum credits to maintain student loan eligibility**

Government loans, grants and interest-free status all require students to be enrolled in at least 60% (80% for Newfoundland and Labrador loans) of a full-time course load in each term. The full course load for students in Year 4 of the BCom program is 30 credits for the session. Therefore, the minimum 60% is 18 credits (at least 9 credits per term). If you have a documented permanent disability, you may be eligible to study at a reduced course load. Consult the [course load guide at students.ubc.ca](#) and reach out to your Enrolment Services Advisor if you have questions regarding your eligibility.

➔ Tutorial: [Finding your Enrolment Services Advisor's contact information](#)

Note that minimum credit requirements may differ for other considerations, such as eligibility to receive and retain scholarships, to live in UBC residence, or to apply for a post-graduation work permit. Carefully review any conditions relevant to your personal circumstances to ensure your continued eligibility. Learn more at [mybcom.sauder.ubc.ca/registration/#courseload](http://mybcom.sauder.ubc.ca/registration/#courseload).

---

### **Maximum credits for registration**

Students can only initially register in a maximum of 32 credits in the winter session (16 credits per term) to allow everyone an opportunity to register in a full course load. Students in the BUCS program have a limit of 34 credits (17 credits per term) to allow for registration in 4-credit CPSC courses. If you would like to register in additional credits, you can submit the [credit limit increase request form](#) to request an increase to your total credit limit to a maximum of 35 credits on or after **August 1**. You may be required to meet with an academic advisor to discuss your course plan.

Be aware that if you try to register for courses from a saved schedule that exceeds your allowable credit limit, your registration attempt will be unsuccessful for all courses.

In Workday, the credits for two-term, six-credit courses are not evenly split across academic periods, but instead apply to the term in which the course begins. In this instance, you can request an increase to your Term 1 limit to offset the imbalance – your Term 2 credit limit will be reduced accordingly. The credit limit increase request form is available **now** for students to request rebalancing of credit limits to allow for registration in two-term, six-credit courses.

### **Courses taken for Credit/D/Fail**

Credit/D/Fail grading allows you to complete an eligible course for a Credit, D, or Fail standing instead of a percentage grade. If you switch a course to a "Credit/D/Fail" grading, you'll still complete all coursework and earn a percentage grade, but only a standing of "Cr," "D," or "F" will be displayed on your academic history and transcript. You can take a maximum of 6 credits of Credit/D/Fail graded courses per winter or summer session, to a maximum of 12 credits of Credit/D/Fail graded courses toward your total degree requirements.

You **cannot** switch any of the following courses for Credit/D/Fail:

- First-year non-Commerce requirements (i.e. MATH\_V 100 or equivalent, and ECON\_V 101 and ECON\_V 102 or equivalents)
- Commerce core requirements (e.g., COMM\_V 203, COMM\_V 393, COMM\_V 396, etc.)
- Combined Major in Business and Computer Science program requirements

You are permitted to switch **only eligible elective courses** for Credit/D/Fail, provided they are **not** fulfilling requirements toward an option, a minor, or a concentration. If a course allows for 'Credit/D/Fail' grading, its Grading Basis will list it as one of the options in the course section's details on Workday (typically also with 'Graded' as the alternate grading basis).

Courses taken for Credit/D/Fail are not counted toward the calculation of your GPA or credits taken to be eligible for [Dean's List or Degree with Honours standing](#); only percentage-graded courses are used to determine eligibility. Also note, you must be registered in a minimum number of percentage-graded courses to be eligible to receive and retain most scholarships and distinctions.

If you would like to switch a course to Credit/D/Fail grading you can [submit the request form](#) once you have registered. Our office will only process requests as defined in the form's instructions. Academic advisors will direct all requests they receive to this form. Please allow **at least five business days** for processing. The deadline to switch between percentage and Credit/D/Fail grading is the same date to which you are eligible to still add courses or drop courses without a W standing.

Learn more at [students.ubc.ca/enrolment/courses/creditdfail-grading](https://students.ubc.ca/enrolment/courses/creditdfail-grading).

---

### **Accounting option – CPA requirements**

If you're planning to pursue a CPA (Chartered Professional Accountant) designation in Canada after graduation note that the current CPA certification program is transitioning to the new CPA Professional Program.

Visit [cpaweb.ca](https://cpaweb.ca) to learn about the changes, timeline, program structure, and requirements. Applicants may be eligible for exemption from the required Knowledge Assessment if they have completed recognized [accounting and business coursework](#). Review qualifying course equivalencies at [bccpa.ca/become-a-cpa/admissions/knowledge-assessment-exemption](https://bccpa.ca/become-a-cpa/admissions/knowledge-assessment-exemption).

---

### **COHR courses**

If you're planning to take [Organizational Behaviour and Human Resources \(OBHR\)](#) courses as either your option requirements or as electives, please note that some of these courses have a prefix of COHR (not COMM). COHR courses taken as electives count toward COMM elective requirements.

**Novel Commerce electives**

[COMM 451 Climate Focused ESG Reporting and Analysis](#) (formerly numbered COMM 486E\*) – 3 credits  
Develop skills in Environmental, Social, and Governance (ESG) analysis, focusing on climate impacts for business and investors. Learn to apply carbon accounting, evaluate corporate disclosures, and analyze ESG's effect on valuation. You'll differentiate ESG ratings and investment strategies, explore climate finance, and calculate emissions for a small business to determine their carbon footprint. *Prerequisites: All of COMM\_V 293, COMM\_V 298; COMM\_V 370 recommended. This course can count toward the Sustainability and Social Impact concentration. \*The content has not changed. If you've completed the course under its previous number, you are not permitted to take it again (you cannot receive credit for the same course twice).*

[COMM\\_V 386M Green Entrepreneurship and Sustainable Startups](#) – 3 credits  
Tackle environmental and social challenges through green entrepreneurship. In this course you'll learn foundational frameworks to identify sustainable opportunities in shifting markets. In multidisciplinary startup teams, you'll discover, co-design and pitch regenerative, restorative and innovative ideas to impact investors, provided by UBC Sauder's Centre for Climate and Business Solutions. *Prerequisite: COMM\_V 280 recommended. This course can count toward fourth year Entrepreneurship option requirements and the Sustainability and Social Impact concentration (max 3 credits double counted within degree).*

[COMM\\_V 486J Disruption](#) – 3 credits  
Shape a startup's disruptive strategy within the Creative Destruction Lab (CDL) ecosystem. You'll analyze how ventures disrupt markets by understanding critical human behaviors, global trends, and innovative theories. Apply this learning by developing new strategic avenues for a CDL-Vancouver company, directly impacting its progress and investor perception. *COMM\_V 486J must be completed to take [COMM\\_V 489 Applied Methods in Technology Start-ups at CDL](#) in Term 2. COMM\_V 486J can count toward fourth year Entrepreneurship option requirements.*

[COMM\\_V 486K Project Finance](#) – 3 credits  
Project finance is an approach where debt is typically borrowed on a non-recourse or limited-recourse basis in which the cash flows generated by the project, and the assets of the project, serve as the collateral for the lenders. Through case studies, master risk allocation using frameworks like the "7-Axes," navigate diverse stakeholder interests, and grasp unique considerations in contracts and leverage. [Watch a brief preview](#) from the course instructor to learn more. *Prerequisite: COMM\_V 298. If taken, this course counts toward upper-level COMM elective requirements.*

---

**International Business concentration**

If you're planning to complete the [International Business concentration](#), you must complete a total of **12 credits** of internationally-oriented courses including COMM\_V 498, and **participate in an approved international exchange/study abroad program**. The 12 credits can also count toward fulfillment of your electives requirement, but note that COMM courses cannot be counted as non-Commerce electives.

If the courses you take for the concentration overlap with the courses you take for an option or minor, or if you plan to use COMM\_V 498 to fulfill your capstone requirement (if your program version requirements allow for this), you can double count a maximum of 3 credits of coursework in your degree toward both the concentration and one of either an option, a minor, or your capstone requirement.

Completion of the International Business concentration does not require pre-approval or special admission. If you would like to pursue this concentration, simply complete all of the concentration's requirements. After you've applied to graduate, our office will provide instructions for how to declare the concentration so that it will appear on your academic transcript.

For the IB concentration you must complete:

- **9 credits** from approved internationally-oriented courses (Commerce or non-Commerce)<sup>1</sup>
- **3 credits** from [COMM\\_V 498 International Business Management](#) (offered in Term 2 only)
- Participate in an approved international study abroad or exchange program<sup>2</sup>

*International Business notes:*

<sup>1</sup> See [International Business concentration website](#) for an approved course list

<sup>2</sup> The program must be credit-bearing and a minimum of five weeks in duration.

### **Business Law concentration**

If you're planning to complete the [Business Law concentration](#), you must complete a total of **12 credits** of law-related studies selected from a variety of both Commerce and non-Commerce courses as listed below. The 12 credits can also count toward fulfillment of your electives requirement, but note that COMM\_V and COHR\_V courses cannot be counted as non-Commerce electives. If the courses you take for a concentration overlap with the courses you take for an option or minor, you can double count a maximum of 3 credits of coursework in your degree toward both the concentration and one of either one option or one minor.

Completion of the Business Law concentration does not require pre-approval or special admission. If you would like to pursue this concentration, simply take the required courses as indicated. After you've applied to graduate, our office will provide instructions for how to declare the concentration so that it will appear on your academic transcript.

You must complete **6 credits** from:

[COHR\\_V 433](#)<sup>1</sup>      [Employment Law](#)  
[COMM\\_V 434](#)      [Land Law](#)

Plus **3 credits** from:

[COMM\\_V 431](#)      [Law of Business Organizations and Corporate Governance](#)  
[LAW\\_V 459](#)<sup>2</sup>      [Business Organizations](#)

And **3 credits** from:

[ECON\\_V 367](#)      [Economic Analysis of Law](#)  
[LASO\\_V 204](#)      [Introduction to Law and Society](#)  
[LAW\\_V 316](#)<sup>2</sup>      [International Law](#)  
[LAW\\_V 334](#)<sup>2</sup>      [Introduction to Asian Legal Systems](#)  
[PHIL\\_V 331](#)      [Business and Professional Ethics](#)  
[PHIL\\_V 338](#)      [Philosophy of Law](#)

*Business Law notes:*

<sup>1</sup> [COHR\\_V 433](#) can be counted toward both the Business Law concentration and the Organizational Behaviour and Human Resources option. A maximum of three credits of coursework within your degree can be applied to fulfill both option and concentration requirements.

<sup>2</sup> The Law course schedule is posted on their [website](#). Approval to take Law courses is at the discretion of the Peter A. Allard School of Law and subject to your academic readiness and available space in courses. Instructions for how to request registration are posted on the [Business Law concentration page](#).

**Business Analytics concentration**

If you're planning to complete the [Business Analytics concentration](#), you must complete a total of **12 credits** of analytics-related Commerce courses as listed below. The 12 credits can also count toward fulfillment of your electives requirement, but note that COMM courses cannot be counted as non-Commerce electives. If the courses you take for a concentration overlap with the courses you take for an option or minor, you can double count a maximum of 3 credits of coursework in your degree toward both the concentration and one of either one option or one minor.

Completion of the Business Analytics concentration does not require pre-approval or special admission. If you would like to pursue this concentration, simply take the required courses as indicated. After you've applied to graduate, our office will provide instructions for how to declare the concentration so that it will appear on your academic transcript.

You must complete **9 credits** from:

- COMM\_V 324<sup>1</sup> People Analytics
- COMM\_V 337<sup>2</sup> Business Programming and Analytics
- COMM\_V 365<sup>3</sup> Market Research
- COMM\_V 414<sup>4</sup> Data Visualization and Business Analytics
- COMM\_V 415<sup>5</sup> Operations and Climate
- COMM\_V 437<sup>6,7</sup> Database Technology

And **3 credits** from:

- COMM\_V 335<sup>6</sup> Information Systems Technology and Development
- COMM\_V 340<sup>5</sup> Service Operations (formerly numbered COMM\_V 443)
- COMM\_V 341<sup>5</sup> Supply Chain Management (formerly numbered COMM\_V 449)
- COMM\_V 363<sup>3</sup> Marketing Analysis
- COMM\_V 464<sup>3</sup> Digital Marketing

*Business Analytics notes:*

- <sup>1</sup> COMM\_V 324 can be counted toward both the Business Analytics concentration and the Organizational Behaviour and Human Resources option. A maximum of three credits of coursework within your degree can be applied to fulfill both option and concentration requirements.
- <sup>2</sup> You will receive credit for only one of COMM\_V 337 and CPSC\_V 103. Note that CPSC\_V 103 cannot be used in place of COMM\_V 337 for the Business Analytics concentration.
- <sup>3</sup> One of COMM\_V 363, COMM\_V 365, COMM\_V 414, or COMM\_V 464 can be counted toward both the Business Analytics concentration and the Marketing option. A maximum of three credits of coursework within your degree can be applied to fulfill both option and concentration requirements.
- <sup>4</sup> COMM\_V 414 can be counted toward both the Business Analytics concentration and one of either the Global Supply Chain and Logistics Management, Marketing, or Operations and Logistics options. A maximum of three credits of coursework within your degree can be applied to fulfill both option and concentration requirements.
- <sup>5</sup> One of COMM\_V 340 (443), COMM\_V 341 (449), COMM\_V 414, or COMM\_V 415 can be counted toward both the Business Analytics concentration and the Operations and Logistics option. A maximum of three credits of coursework within your degree can be applied to fulfill both option and concentration requirements.
- <sup>6</sup> One of COMM\_V 335 or COMM\_V 437 can be counted toward both the Business Analytics concentration and the Business Technology Management option. A maximum of three credits of coursework within your degree can be applied to fulfill both option and concentration requirements.
- <sup>7</sup> Credit will only be given for one of COMM\_V 437 and CPSC\_V 304. Note that CPSC\_V 304 cannot be used in place of COMM\_V 437 for the Business Technology Management option or Business Analytics concentration.

**Sustainability and Social Impact concentration**

If you're planning to complete the [Sustainability and Social Impact concentration](#), you must complete a total of **12 credits** of sustainability studies selected from a variety of both Commerce and non-Commerce courses as listed below. The 12 credits can also count toward fulfillment of your electives requirement, but note that COMM courses cannot be counted as non-Commerce electives. If the courses you take for a concentration overlap with the courses you take for an option or minor, you can double count a maximum of 3 credits of coursework in your degree toward both the concentration and one of either one option or one minor.

Completion of the Sustainability and Social Impact concentration does not require pre-approval or special admission. If you would like to pursue this concentration, simply take the required courses as indicated. After you've applied to graduate, our will provide instructions for how to declare the concentration so that it will appear on your academic transcript.

You must complete **9 credits** from:

- COMM\_V 312 [Business Ethics Leadership](#) (not offered in 2026W)
- COMM\_V 314 [Strategies for Responsible Business](#)
- COMM\_V 386C [Climate Literacy for Business](#) (not offered in 2026W)
- COMM\_V 386I<sup>1</sup> [Innovation and Sustainability](#)
- COMM\_V 386L<sup>1</sup> [Impact Investing: Social Finance in the 21st Century](#)
- COMM\_V 386M<sup>1</sup> [Green Entrepreneurship and Sustainable Startups](#)
- COMM\_V 386T [Indigenous Peoples and Economic Development](#) (not offered in 2026W)
- COMM\_V 460<sup>2</sup> [Social and Nonprofit Marketing](#)
- COMM\_V 484<sup>2</sup> [Sustainability Marketing](#)
- COMM\_V 485<sup>1</sup> [Social Entrepreneurship](#)
- COMM\_V 486A<sup>3</sup> [Climate Finance](#)
- COMM\_V 451 [Climate-Focused ESG Reporting and Analysis](#) (formerly numbered COMM\_V 486E)

And **3 credits** from recommended courses with a social sciences **or** a natural sciences focus ([see the myBCom website for a complete list](#)).

*Sustainability and Social Impact notes:*

- <sup>1</sup> One of COMM\_V 386I, COMM\_V 386L, COMM\_V 386M, or COMM\_V 485 can be counted toward both the Sustainability and Social Impact concentration and the Entrepreneurship option. A maximum of three credits of coursework within your degree can be applied to fulfill both option and concentration requirements.
- <sup>2</sup> One of COMM\_V 460 or COMM\_V 484 can be counted toward both the Sustainability and Social Impact concentration and the Marketing option. A maximum of three credits of coursework within your degree can be applied to fulfill both option and concentration requirements.
- <sup>3</sup> COMM\_V 486A can be counted toward both the Sustainability and Social Impact concentration and the Finance option. A maximum of three credits of coursework within your degree can be applied to fulfill both option and concentration requirements.

**Program completion and graduation in May 2027**

If you're planning to graduate in May 2027, you must have all of your program requirements completed by the end of Term 2 in April 2027. The May 2027 graduation application will be available later this fall in Workday. Note that if you are going on exchange in Term 2, you will not be eligible to graduate until November 2027.

➔ Tutorial: [Applying for graduation or program completion](#)

A winter session average of 60% or greater on all courses attempted from September to April is required to achieve a "pass" for the year and continue in the program. This is a [weighted average](#), taking course credit values into consideration, and does include any failing grades. Grades earned from study abroad or exchange programs are included in your average if taken before May 2026, but are excluded if taken after this date. Decimals are not rounded (i.e., a winter session average of 59.9% would be considered a failed year). Courses taken during the summer session (May to August) are not included in the winter session average.

If you've completed all of your degree requirements by April 2027 and your sessional average is below 60%, you will be permitted to graduate, however, a notation of 'Failed, Permitted to Continue' will appear on your academic transcript for the 2026 Winter Session.

If you have not completed all of your degree requirements by April 2027 and your sessional average is below 60%, you will be considered to have failed the year and may be required to discontinue your studies at UBC for a period of at least one year. Your continuation in the program during the 2027 Winter Session will be at the discretion of the Faculty. See [Academic Regulations in the UBC Calendar](#) for details.

---

**Graduation in November 2026**

If you're finishing your final program requirements in the 2026 Summer Session and plan to graduate in November 2026, you must apply for graduation on Workday by August 28, 2026. Learn more at [students.ubc.ca/enrolment/graduation/applying-graduate](https://students.ubc.ca/enrolment/graduation/applying-graduate)

---

**Master of Business Analytics**

If you're known in your project groups as the go-to person who is skilled at analyzing data to solve case study challenges, you're in good company. Businesses around the world rely on the analysis of data to make critical decisions, and the demand for people skilled in this area is growing exponentially. The 12-month Master of Business Analytics (MBAN) teaches candidates with quantitative backgrounds how to apply advanced analytical tools and methods to address management challenges.

The MBAN program can be taken directly after you complete your BCom degree. There are electives you can take now to better prepare you for the program and a career in business analytics, including [COMM\\_V 337 Business Programming and Analytics](#) and [COMM\\_V 414 Data Visualization and Business Analytics](#).

Visit the [MBAN website](#) to learn more.

### **Registration assistance**

If you need assistance with Commerce course registration, you can [complete the Registration Assistance form](#) once your registration has opened. If there are alternate available courses/sections that will also fulfill your requirements you should register for them while seats remain; there are no guarantees that you will be offered a seat in a requested preferred course/section.

If you've completed prerequisites or corequisites for Commerce courses that are not recognized in Workday, but that are accepted as equivalents, you can submit a request in advance of your registration appointment so that we can grant you eligibility to register yourself once your registration has opened (for valid equivalencies only).

Our office will process only requests for which you provide a **valid reason** as defined in the online instructions. Academic advisors and instructors will direct all registration requests to this form. Please allow for **at least five business days** for processing.

---

### **Academic advising**

Staff at the [UBC Sauder Office of Student Academic Services](#) are dedicated to ensuring that you have the assistance and ongoing support that you need throughout your studies in the BCom program. You'll find many of the answers to your questions about your program—as well as resources and services available to support you—at [mybcom.sauder.ubc.ca](http://mybcom.sauder.ubc.ca) and [students.ubc.ca](http://students.ubc.ca). We encourage you to start by reviewing our [Frequently asked questions page](#).

If you still have questions or concerns, please email [bcomquestions@sauder.ubc.ca](mailto:bcomquestions@sauder.ubc.ca) or visit our office in person or [online](#). Academic advisors are available for advising appointments from Monday to Friday during business hours.

### **Please note the following summer office closures:**

Wednesday, July 1, 2026 (Canada Day)  
Wednesday, July 22, 2026 (staff training)  
Monday, August 3, 2026 (BC Day)
